

Pilbeam's Progress! April 2008

Dear All

At last the season has started! I have taken Lady and Holly to a couple of events, the results of which are overleaf. I was very pleased with Holly at Powderham Castle, it was only her second Intermediate and she did a great double clear. Unfortunately the South of England was cancelled at the beginning of April, had it gone ahead riding in the snow would have been interesting! If you have any suggestions of what you would like to appear in PP please do contact me.

New Ride

I am very lucky to have been given the ride of Tanya Draude's pony - Spitfire Jack (Jack). My first event with Jack will be at Borde Hill in May. Jack is well known locally and has an excellent unaffiliated record with numerous Hunter Trial, SJ and Dressage wins. He also did well in an Intro last year and I hope Jack and I get good results this season.

Sports Awards

Unfortunately Lady and I did not win the Team of the Year Sports Award but were very pleased to be recognised with many worthy teams.

Many congratulations to Emily Llewellyn who deservedly won the title of Sports Personality of the Year.

Schooling

I still have vacancies to take on horses for schooling. Dependant on the location I am available in the week to travel to yards.

Recent Success Story - I have been schooling Ferdy (pictured left) over the winter months. I competed him at Sandhurst Farm, Lamberhurst and came 1st & 2nd in Prelim classes qualifying him for the Championships on Saturday 12 March where we were placed 5th. Ferdy's owner is very pleased with his progress and I will hopefully be competing him in an Intro at Eridge in June.
